2. Each purchaser shall, immediately after a lot has been knocked down to him, pay Rs. 5 as earnest money, and sign his name opposite the number and specification of the lot bought by him, in a book provided for the purpose. Such payment and signature shall be held as admission on his part of having bought such lot and of having accepted the terms of sale as herein specified.

3. Immediately after the sale, each purchaser will be furnished with a memo showing the total amount due by him and with a chellan to pay immediately twenty-five per cent of such amount as a deposit into the Taluk Treasury at the place; a receipt for the deposit money will be granted by the Treasury Officer and must be presented to the Forest Officer at once. Should any purchaser fail to comply with this rule, the Forest Officer shall be at liberty to resell all or any portion of the timber purchased by such defaulter, who shall be required to make good any loss, but shall not participate in any profit on such resale. The amount due by such defaulter shall be recovered from him as a revenue demand.

Note.—For the convenience of the purchasers, the quarter deposit or the whole of the sale amount will be received and acknowledged by the officer conducting the sale, if tendered on the spot at the time of sale.

4. The whole quantity purchased by each purchaser must be paid for within thirty days of sale, failing which the earnest and deposit moneys already paid in shall be forfeited to Government and the timber not paid for shall be resold. Moneys due may be paid into the Treasury of the taluk in which the depot is situated or into the District Treasury, but into no other except in cases where the purchasers are permitted to pay into any other Government Treasury in accordance with the chellans issued to them.

5. No timber shall be delivered to any purchaser until it has been paid for in full.

6. No timber can be removed from the depot till a permit to removal signed by the Forest Officer in charge of the depot shall have been obtained.

7. Timber paid for may be removed at any time within thirty days from the date of sale or within such further period not exceeding ninety days from the date of sale as may be fixed by the Forest Officer as the circumstances of each case may require, without payment of rent; but if left in the depot longer than ninety days from date of sale such timber will remain at the risk of the purchaser, and further shall be charged with depot rent at Rs. 6-4-0 per cent per annum, on the sale amount from the date of sale. If the timber be not removed within six months from the date of sale, 'the same shall, after ten days' notice to the purchaser, be sold by public auction for the recovery of rent and costs, etc.

8. Any complaint regarding short measurements, etc., will not be heeded after the removal of the logs from the depot.

9. Belated payments of purchase money will be charged with interest at 6¼ per cent per annum from the date of sale.

L. P. MASCARENHAS,
District Forest Officer.

ENGINEERING DEPARTMENT.

KRISHNARAJASAGARA WORKS.

Construction of a bridge across the Hemavati river near Akkihebbal, Krishnarajapet Taluk (between Attikuppa and Akkihebbal).

Sealed tenders will be received in the Office of the Superintending Engineer, Krishnarajasagara Works, up to 5 P.M., on Tuesday the 15th May 1919, for the construction of the above bridge. A schedule showing the approximate quantities is given below. These quantities are not guaranteed. The work should be completed by the 31st May 1920.

2. The plan and specification may be seen at the Superintending Engineer's Office, Krishnarajasagara Works, between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Superintending Engineer's Office and should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 1,000 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tenders for constructing a bridge across the Hemavati river near Akkihebbal," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer on Special Duty who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered as cancelled and his earnest money forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Superintending Engineer's Office in due course. No enquiries regarding the acceptance or rejection of tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money of rejected tenders will be returned.

9. Schedule showing the probable quantatiy of work to be done on the construction of the bridge noted above is as follows.

Estimate of the probable quantities of constructing bridge across the Hemavati.

Abstract.

No.	Item of work	Per	Quantity
1	Earthwork in gravelly soil	C. yd.	6,950
2	Excavation hard rocky soil..	"	835
3	Ruble stone in surki mortar	C. ft.	14,199
4	Do do with size stone facings	"	52,806
5	Cut stone in surki mortar	"	5,588
6	Burnt brick in mortar	"	35,903
7	Burnt stone slabs 6" thick	S. ft.	1,573
8	Burnt brick in surki mortar, arch work	C. ft.	1,932
9	Special moulded brick in surki mortar arch work ..	"	28,107
10	Surki mortar pointing	Sq.	240·5
11	Chunam plastering	"	297·0
